New Year - 2002

Officers & Board Members - plus  
a few of you movers & shakers !!

Hope you all had some great Holidays and may this New Year bring us the greatest gift of all - - Good Health !! Now we need some help from all of you !

Enclosed you will find a copy of the - Active - and - Inactive roster of the 315th, that is as up to date as I can make it from the information that I have received as of the start of 2002. As the area codes and zips keep changing , please send me any changes that you find ! An up to date , complete roster, will be sent to all on the mailing list when Stan Smith sends out the March Newsletter. It will all come in an envelope along with all of the information on the San Diego Reunion , registration forms , hotel reservation forms, and etc.

Please - - right now - look over the roster ! Find 3 or 4 of your old Buddies that you would like to see again - give them a call and encourage them to make this next reunion ! There are not going to be that many more ! If they have problems traveling - suggest that they have a Son or Daughter come with them. At our last two or three reunions we have had more and more of the families come, and some seems to enjoy it more that ol dad ! Its less than 9 months away - so don't put it off - call now !

The "THREE ONE FIVE GROUP" book is coming along great and should be completed in time to be at the reunion. George Cholewczynski has been working hard on this and could still use more of your input . The same is true for Miles "Chip" Hamby on the 315th Web Page <http://315group.20megsfree.com> Both of these men are doing a lot of work for us and need more stories and information from you fellows that were in the 43rd and 309th Squadrons. If you do not have a computer - give the above address to a friend or your library, and ask them to bring it up for you to see. The address and phone number for both men are in the roster .

On the Inactive roster, you will find many who we have lost over the years when the Post Office has returned the newsletter. I have removed their street address and entered MOVED FOE (Forwarding Order Expired) but left the city and state. If any of these men are located near you - - try to locate them. Many probably think we are no longer around - Give it a try !!!!

Looking forward to seeing you all - - bring the kids to the Zoo - - Sept. 18 - 21 !

Your ol Recording Secretary, Doc Cloer
